Volume 55, Numbers 1-2, 33-45, DOI: 10.1007/BF01029600

Enhanced response of an atmospheric flow to a line-type heat sink in the presence of a critical level

H. Y. Chun and Y. L. Lin

**MyCopy**

**What are MyCopy books?**

MyCopy books are printed versions from the Springer eBook Collection to which your library provides you access via SpringerLink. MyCopy complements the Springer eBook Collection and enables you to choose the content format that best suits your individual research needs. You may opt for the eBook format or the printed book - whatever you prefer. MyCopy books have a colored soft cover, with the interior being black and white. Thus, colored illustrations in the eBook and conventional Springer print books are always monochrome in the corresponding MyCopy book.

**What is the price of a MyCopy book?**

Every MyCopy book is available at 24.95,  
Pay-Per-View
